

# CLEAN THE WORLD & HILTON PARTNERSHIP

## Over 13 Years of Impact

Clean the World's partnership with Hilton began in 2009 and their impact goes far beyond mobile showers. Over the past 13 years, Hilton has helped to produce over **15 million bars of soap** as part of the Hospitality Recycling Program. Housekeepers currently collect soap and bottled amenities from **5,657 hotels** and **833,865 hotel rooms** worldwide and have **kept 4.5 million lbs of waste from landfills** across the globe. Hilton employees have also teamed up and **assembled 317,000 hygiene kits** that have been distributed to people in need across the United States.

Through their recycling efforts, they have saved close to **10 million gallons of water**, **generated over 244,000 kilowatts of energy**, and **prevented more than 1.7 million kilograms of carbon dioxide from going into the atmosphere**. Hilton has served close to **786,000 refugees** and **supported an additional 2.7 million people in need** through their partnership with Clean the World.

With Hilton Global Foundation's support, we will provide even more showers and hygiene services to individuals experiencing homelessness. **Together, we are going to save lives.**
